

To whom it may concern,

I am writing in respect of Callan Chesser who helped my pantomime club that I run. I am writing this letter for reference of this kind young boy who came to us in an unknown environment and was excellent within our pantomime club. Callan performed exceptionally well with organising the technical elements, that includes sound and lighting. As well helping us with pantomime run throughs. Callan was amazing with all of his skills and knowledge, which is very rare to find in a young adult. He got on very well with cast members, they all said that Callan was very nice and kind and it was a great pleasure getting to know him.

Callan is determined and eager to learn. I am very grateful for Callan helping the pantomime club in such a big way. It would be my absolute pleasure to provide any other information that you may need, in respect for Callan.

Kind regards and wishes,  
Margaret Smith  
Drumchapel Amateur panto club
